

# Septic System & Well Use and Maintenance Workshop

presented by

## MSU Extension & Macomb County Health Department

Richmond Township Offices  
34900 School Section Rd., Richmond Twp.  
Thursday, October 12, 2017  
6:00 to 8:30 P.M.

A faulty well or septic system can harm a family's health as well as threaten pets and wildlife, contaminate surface and groundwater and lower property values. This workshop will cover well construction and maintenance, water conservation, how a septic system functions, septic system maintenance, how to detect septic failure. Participants will receive handouts on these topics.

Workshop is **FREE** but **pre-registration is recommended** due to limited seating
